5. It shall be lawful for the Mayor of the said Corporation to negotiate and sell the said debentures, or any of them, for less than par, but in no case shall the said debentures, or any of them, be negotiated or sold for less than ninety per cent. of their face value, including the cost of negotiating and sale, brokerage and other incidental expenses.

6. A special rate on the dollar shall be raised and levied annually, in addition to all other rates, on all the ratable real property of the City, sufficient to pay interest on the debt hereby created during the currency of the said debentures, and to provide for the payment of the said debt when due.

7. The sum of \$900.00 shall be raised and levied annually in each year by a special rate on all the ratable real property of the said City of Sandon, for the payment of interest on the amount of the debt hereby created, during the currency of the said debentures.
